MISD Beatrix M50109	LIST OF TYPES RELEASED FOR PRODUCTION IN THE B.G. PROFESSIONAL COMPONENTS	EUR-64-88/JAO-003
		Sh. 2 of 15 Date 88-01-07

List of Types  
Released for Production  
in the B.G.  
Professional Components

The present list contains the type numbers of devices manufactured in Brive, Eindhoven, Hamburg, Heerlen and Mitcham, which obtained Release for Production.

Devices Released for Production are subject to the procedures described in the B.G. Professional Components Quality Manual (UZW-Q0/B002), in particular the alteration procedure.

The decision that a type can be introduced into the International Concern Traffic is taken by the Product Group Manager and the relevant Quality Manager.

- A type can be withdrawn from the list when:
- it is obsolete (no longer production and no stock)
  - serious problems have occurred in the field.

The list will be up-dated and re-issued at appropriate intervals.

Eindhoven
